#### *Public Comment and Changes to Rule Making*

Notice of Intended Action for this rule making was published in the Iowa Administrative Bulletin on October 24, 2018, as **ARC 4091C**. The Board received comments from the Iowa Pharmacy Association as well as from members of the Administrative Rules Review Committee. Both expressed the same concerns of potential misuse of pharmacist-interns if there were no limit on the number of pharmacist-interns under pharmacist supervision.

In response to the concerns, the Board changed the amendment to retain the limit of supervising no more than two pharmacist-interns and added language to clarify that the limit relates to when the pharmacist-intern is engaged in the activities of a pharmacist-intern for the purpose of internship.

This rule making was adopted by the Board on January 9, 2019.

#### *Fiscal Impact*

This rule making has no fiscal impact to the State of Iowa.
